

Double Electric Breast Pumps

Documentation Requirements

Medicare – non-covered

Commercial

- ★ Some plans require the patient to obtain their breast pump through an approved vendor, not Procure.
- ★ Breast Pump Standard Written Order
- ★ Medical records related to the breast pump.

Tricare

- ★ Breast Pump Standard Written Order
 - Must include the gestation weeks.

Medicaid

- ★ Breast Pump Standard Written Order
- ★ Medical records (see below for criteria)

Medical Record Requirements for Medicaid

- ★ Face to face visit with treating practitioner documenting patient's condition that requires the breast pump.
 - This visit must take place within 6 months of the order.
 - Patient is defined as the Medicaid recipient giving birth, not the infant.
- ★ Medical records must support all of the following:
 - One of the following:
 - Patient is at minimum of 32 weeks gestation,
 - Patient has recently given birth,
 - Child is 24 months of age or younger.
 - Potential exists for adequate milk production.
 - Patient plans to provide breast milk to their infant(s).
 - Patient is capable of being trained to use the breast pump.
